Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 06 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Outbreaks of rain followed by showers, but turning drier overnight.

Today:
A largely cloudy morning with outbreaks of rain, which could heavy at times. Brighter in the afternoon, with some sunny spells developing, but also some scattered showers, which could be heavy at times. Feeling rather humid with light winds. Maximum temperature 18 deg C (64 deg F).

Tonight:
Showers persisting through the evening but gradually becoming less frequent overnight. Remaining cloudy with some fog patches forming during the early hours. Feeling chilly in rural areas. Minimum temperature 8 deg C (46 deg F).

Monday:
Any low cloud and fog will gradually lift during the early hours to give some sunny spells. Mostly dry, although a few showers locally heavy at times. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Outlook for Tuesday to Thursday:
Fine and dry on Tuesday with plenty of sunshine. A band of rain arriving on Wednesday with scattered showers and sunny spells to follow for Thursday. Winds strengthening throughout.
